Security Void Tape / Tamper Proof Tape

Printed with "SECURITY SEAL ปฏิเสธรับสินค้าหากมีการแกะ" on the tape. Reveals the words "OPEN VOID" both on the film of the tape and left behind on the packaging. The tape is made of Polyethylene Terephthalate (PET) film, which is stronger than standard OPP. The film is coated with an Acrylic Adhesive to maintain a strong adhesion and resistance to both chemical and UV exposure.

Features

- Made from Polyethylene Terephthalate (PET) film, which is stronger than OPP film. The film preserves good tensile strength and can't be torn by hand
- The Acrylic Adhesive coating has high tack, strong adhesion and is resistant to chemicals and UV exposure
- Printed with "SECURITY SEAL ปฏิเสธรับสินค้าหากมีการแกะ" on the tape
- Any attempt to remove the Tape will automatically reveal the words "OPEN VOID" both on the film of the tape and left behind on the carton / envelope / packaging
- Available in 2 colors: red and blue

Applications

- Packaging containing high value items or important documents
- Providing peace of mind for the security of your delivered products
