Magic Tape / Invisible Tape

Magic Tape or Invisible Tape is made from a special BOPP film that blends seamlessly when attached to paper and remain without a trace. The Tape can be written on, easily torn by hand and is coated with a stable acrylic adhesive that will maintain its performance over time. Suitable for a wide range of documents, will not leave an outline when photocopied and can be removed without damaging the document.

Features

- The tape will appear frosted on the roll to allow ease of use but will transform to clear once applied
- Will not shadow after use with photocopiers or fax machines so you can send out your mended documents with confidence
- Can be removed without fear of damaging the document
- Effortlessly written on with pen, pencil or marker

Applications

- Suitable for a range of documents that require ease of repair
- Suitable for use on documents, books, bank notes, photos and archiving tasks
