Bio-degradable Tape

The biodegradable small core clear tape is the perfect option for the environmentally friendly office and is suitable for all office paperwork. Ideal for attaching documents or for sealing envelopes, wrapping gifts, closing bags or ecommerce packaging. Work that requires a delicate touch will also benefit from this very user-friendly tape.

Properties

- Made from a premium grade of cellulose film
- Simple to use and easily torn by hand
- Natural rubber adhesive ensures a secure seal every time
- The tape core and carton are made from 100% recycled paper
- Internationally Certified to the ISO 17088 standard

Applications

- Perfect for the environmentally friendly office
- For wrapping of delicate items, including gifts
- Sticks well to most surfaces
- Can be used with or without a dispenser
