Non-PE Kraft Tape

Our Kraft Tape is made using materials that are free from Polyethylene and Silicone. The tape maintains a high tensile strength and low elongation, making it suitable for cold storage applications, export products and sealing heavy duty cartons. The Louis Kraft Tape is easily torn by hand and can be effortlessly written on with a variety of markers.

Properties

- Free from Polyethylene (PE) and Silicone
- Coated with an aggressively strong Natural Rubber adhesive
- The tape can be written on
- Easily torn by hand
- Tape core is made from recycled paper and can be readily recycled

Applications

- Excellent for heavy-duty carton sealing and general packaging
- Straight line masking
- Silk screening and picture framing
